**Plaintiffs' First Supplemental Notice To the Court Regarding Scheduling  
Conference**

To The Honorable United States District Judge:

Plaintiffs, Typhoon Touch Technologies, Inc. and Nova Mobility Systems, Inc., in accordance with the Court's Order of January 10, 2008, notified the Court on February 22, 2008 that the above-referenced case was ready to proceed to a status conference. The Court issued its order this date setting the status conference for April 7, 2008.

Plaintiffs have, this date, filed a motion for leave to amend their complaint for patent infringement and add new defendants. In view of that motion and subject to the Court's ruling thereon, Plaintiffs respectfully advise the Court that this action is not ready for a status conference. Subject to the Court's ruling on the aforementioned motion for leave, Plaintiffs respectfully request that the Court continue the Status Conference currently set for April 7, 2008 until the three additional parties named in the First Amended Complaint have been served and had time to answer and make an appearance herein.

Dated: March 7, 2008

Respectfully submitted,
